At the September 25th was the election of this coming year's officer. The officers elected are Dale Rupert; President, Phil Smith; Vice President, Tim Jesky; Membership Secretary, Mike Bays; Recording Secretary and as Trustees, Tom Como and Dave Whitaker. The Treasurer continues to be Bill Sommers. Congratulations to all. I would like to personally thank all the members that voted for me. During this past year I have had a number of members acknowledge my efforts. I appreciate your support, which is why I ran again. I will put forth the same effort this year.

Also at the same meeting three new members were voted in. The new members are Frank Nation, Jim Drake and Eric Steves. Welcome to the club Frank, Jim and Eric.

The same meeting was an activity meeting. Kevin Matney gave a speech on engines. Kevin provided a very informational dialogue on engine maintenance, breaking an engine in and winterizing engines. Thanks Kevin.

AMA has sent out the renewals for 2009 membership. Make sure you renew your AMA in time to show your card to Tim Jesky before December 31st. Remember it can take many weeks to get your card after you send the renewal in. Time can be saved by renewing online or by fax. Also with your AMA renewal is the ballot to vote for the AMA District Vice President so remember to vote.

The picture roster and by-laws were mailed out. If you have not received yours please contact Tim Jesky. They look great, nice job Tim.

The banquet will be held November 15. Make sure you make reservation with Brian Harris.

The weather station modem should be in service soon. Gary Rexroad and Scott Harter have the station pole mounted and the display now works. A minor problem with the modem should be resolved soon. The phone number for the modem is 734-854-1055 (local) or 877-865-6865 (toll free).
